Description:

Perfect for Comfortable Living For sale: a magnificent home that combines space, comfort, and modern technology — an ideal choice for a family seeking high-quality living with every convenience. The property offers a built area of 130.35 m², complemented by large outdoor spaces that allow you to enjoy the mild Mediterranean climate all year round. At the entrance, there is a 2 m² covered terrace, perfect as a small lounge or entry area. The upper terrace of 38.2 m² offers stunning sea views, while the lower terrace of 62.2 m² features a private 31.5 m² swimming pool, ideal for family relaxation and outdoor entertaining. Additional features include a storage room (5.85 m²), private parking (36 m²), a basement, and several auxiliary spaces that provide extra comfort and storage capacity. The solar panels installed on the roof ensure energy efficiency and lower electricity costs. The house consists of 5 rooms in total, including 3 bedrooms and an office (formerly a bedroom). There are 3 full bathrooms plus a guest toilet located near the entrance. This bright, spacious, and modern home with its own pool, sea views, and solar panels is a perfect option for both permanent living and a vacation retreat.
