Description:

Bigastro Paradise is a contemporary new-build development located in a peaceful and green area of Bigastro, in the heart of the Vega Baja region. The complex combines the charm of a traditional Spanish town with convenient access to all essential amenities and the beaches of the Costa Blanca.

The development features **64 modern apartments and penthouses** with **2 bedrooms and 2 bathrooms**, designed in a contemporary architectural style. Bright and spacious interiors, open-plan kitchens, large terraces, and private rooftop solariums in the penthouses provide the perfect setting for both permanent living and holiday stays.

The gated community offers:

- a large communal swimming pool of approximately **400 m²**;
- a modern **36 m²** fitness gym;
- landscaped gardens and relaxation areas;
- underground parking and storage rooms for most apartments.

Prime Location

Bigastro is a charming Spanish town with excellent infrastructure, located just a few minutes from Orihuela and with easy access to the main road network.

Nearby you will find:

- supermarkets, schools, medical centres and restaurants;
- golf courses;
- natural parks and walking trails;
- the sandy beaches of Orihuela Costa and Torrevieja, approximately **20-25 minutes** by car;
- Alicante International Airport, about **40 minutes** by car.

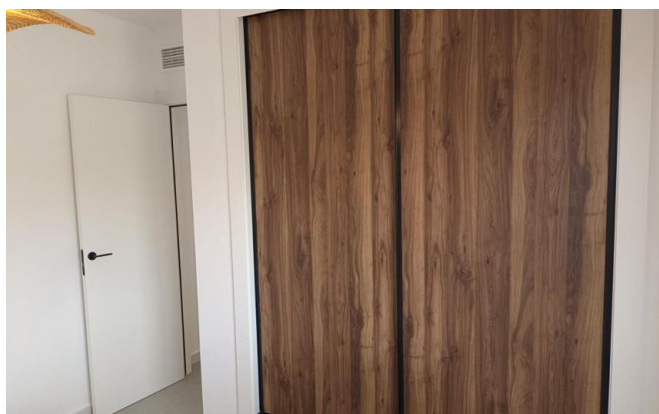

An Excellent Choice for Living or Investment

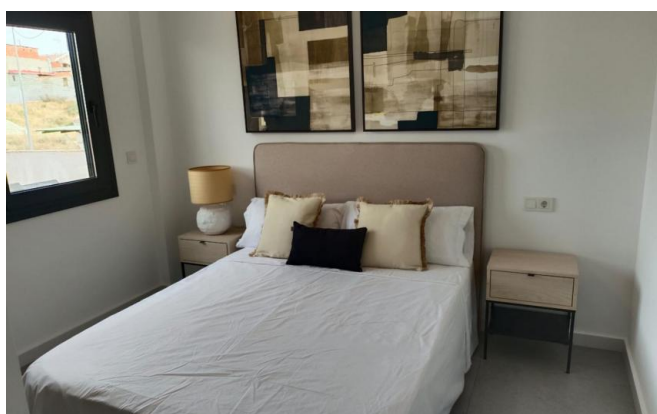

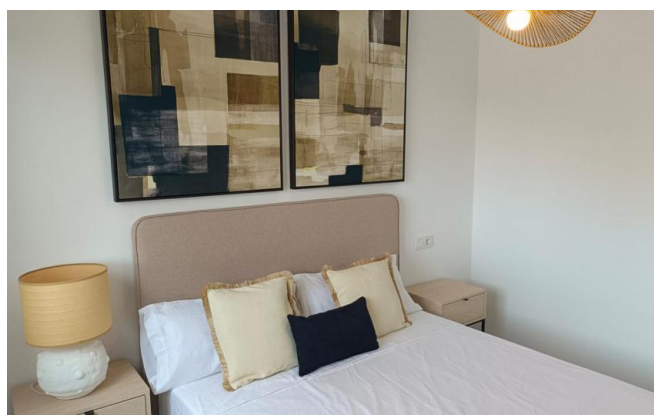

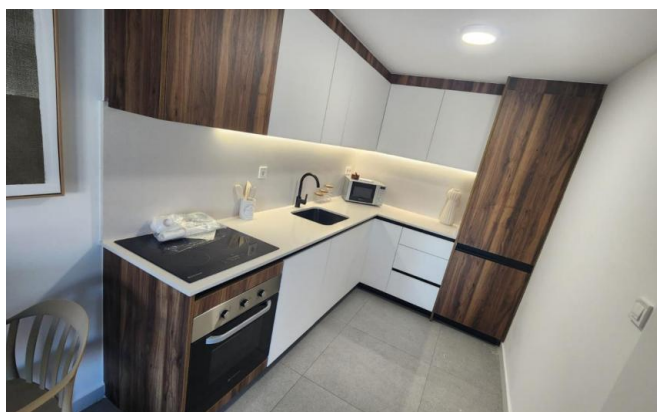

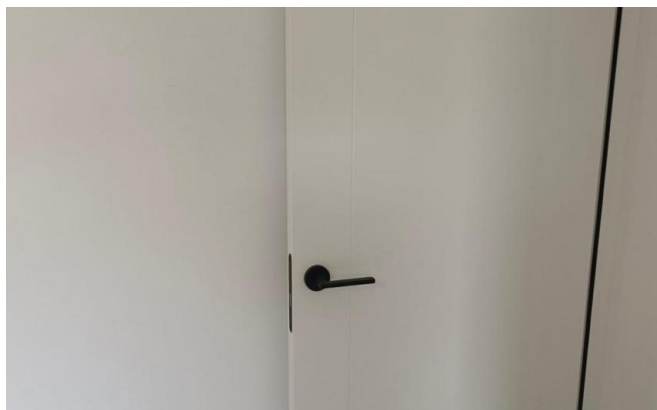

Bigastro Paradise is an ideal choice for permanent residence, holiday use or rental investment thanks to its modern layouts, high-quality construction and excellent location.

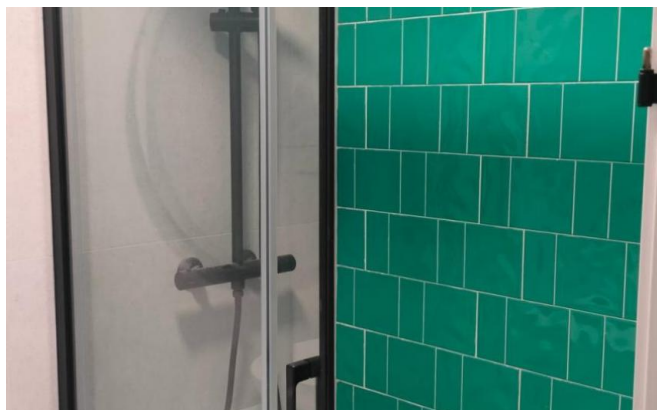

The project offers a variety of apartment layouts with spacious terraces, as well as penthouses with private rooftop solariums. The properties range from **61 to 70 m²**, with terraces from **13 to 89 m²**, depending on the selected layout. The penthouses also feature **private solariums of up to 60 m²**. Most homes include **an underground parking space and a storage room**.

Prices range from €174,900 to €218,900, making Bigastro Paradise one of the best value new-build developments in the area.
